JOKES THAT MADE MY
 DAD LAUGH

- A man walks into the Crown & Anchor and orders helicopter flavor chips. The bartender replies, "Sorry mate we only do plain."
- I went to Capital Book Store and asked where the Self Help section was. The sales woman said if she told me it would defeat the purpose.
- People are making apocalypse jokes like there's no tomorrow.
- A termite walks into the Crown & Anchor and asks "Is the bar tender here?"

Tony and Sarah are your hosts and owners of the Crown & Anchor. Come in and be welcomed by their humor and hospitality.

BEER MONTH:

Chris from Peter B's

Chris has been helping to create craft beer at **Peter B's** for the past two years. He also drinks it because he loves it. Lately he has been "the guy" while they did a national search for a new head brewer. They found one in Michigan and Justin will be arriving this month. Look for a new exciting things coming soon.

Who makes the best local beer?

Peter B's

What do you drink on your day off?

IPAs. I like IPAs but I switch off

to a lighter beer sometimes. I do enjoy a good pilsner.

If my girlfriend doesn't like beer how do I convert her?

You don't have to convert her that means more for you!

Is there such a thing as bad beer?

There is definitely bad beer out here. You can find bad beer anywhere from home brew competitions to the biggest breweries in the world.

What was your first beer?

The first beer I ever had was my Grandpa's Old Milwaukee.

Did you like it?

Loved it!

Do you still drink it?

I would, you can't get it in California. I would if I could.

Three things you can't live without?

Vinyl records, IPAs and my wife. Not necessarily in that order.

What is your favorite smell?

Water hitting the grain. It's the beginning of the brewing process.

What is a Cenosillicaphobia?

Fear of beer. I feel sorry for anyone who has that.

In heaven there is no beer that's why we dink it here. Who said there is no beer in heaven?

I would say the song is incorrect.

Beer making is an ancient tradition. Jesus has wine, why not beer?

In my heaven there's beer.
