

## #GreenMeetings Tweets for Earth Day 2019

April 22 is Earth Day 2019. Here's what the meetings industry has to say about going green.

Celebrated for the first time in 1970, Earth Day is now a globally recognized initiative; events are coordinated by the Earth Day Network spanning 193 countries. With such a strong focus on sustainability within the meetings and events industry, we're no strangers to going green.

This Earth day, here's what meetings, events and hospitality professionals have to say about #greenmeetings.
