Peter B's Brewpub Debuts New Barrel Room

Posted on May 11th, 2015 by omba

Peter B's Brewpub, located behind the Portola Hotel & Spa, is thrilled to announce the debut of their brand new Barrel Room. The all-new Barrel Room is located next to the Brewery entrance inside of Peter B's Brewpub. The room now features a table designed and crafted by local artisan Todd Wilde. The table design was inspired by wine barrels used for aging the craft beers brewed at Peter B's. The table seats 16 and is made from Randazzo Salvage wood. This new barrel room is the ideal setting for private dinners and tastings.

The Barrel Room is also the new location for Peter B's Brewer's Dinners. The first official brewer's dinner held in the Barrel Room was on May 11, 2015 featuring a 5 course meal carefully prepared and paired by Executive Chef Jason Giles and Head Brewer Kevin Clark.

In early 2014, Peter B's Brewpub introduced a revamped menu full of new tastes and great brews with delicious, locally brewed beer, 18 high-definition televisions, and a delicious pub menu stocked with innovative, local favorites.
