

MONTEREY BAY

Breathtaking Views at *Portola Hotel & Spa*

By Sophie Knight

If you're looking for character, culture, and breathtaking views, then you may want to start planning your trip to the coastal getaway of Monterey, California. Offering a host of historic site-seeing adventures, scenic beaches, and world-class golf courses, Monterey boasts endless experiences, ensuring you will spend your days getting lost in its charm.

Overlooking the Monterey Bay, the newly renovated Portola Hotel & Spa offers a home-from-home unique stay. After being awarded the Condé Nast Traveler's 2017 and 2018 Readers' Choice Award, this northern Californian hotel has almost completed its huge renovation project, which features outdoor fire pits; the anticipated and brand new restaurant, Jacks Monterey; and an exclusive lounge and lobby bar where you can indulge in wine-tasting experiences from nearby Vineyards.

The location of the Portola Hotel, which has been the idyllic summer resort for the cast and crew of the popular drama series "Big Little Lies," hosts the backdrop of the historic Fisherman's Wharf and Monterey Bay, helping the hotel capture the captivating spirit of a rich, historical setting surrounded by some of Monterey's best, enchanting features.

This family-friendly resort has spacious rooms, access to Monterey's favorite attractions, and features a special Portola Pirate Program with gifts for guests ages 3 to 12. Sitting adjacent to the city's premier \$60 million conference venue, the hotel is about to embark on renovating its 379

elegant, residential-style guest rooms, making it the perfect choice for every occasion.

Whether you were planning on the stunning 17-mile scenic drive through Pebble Beach and Pacific Grove or dreaming of making a vacation of Monterey, the Portola Hotel & Spa is the picture-perfect destination that is worth a visit.
