Peter B's craft brewery is behind the Portola Hotel in Monterey, CA.

Naturally, something such as National Craft Beer Week can't go without recognition at one of the top craft beer places in Central California.

In fact, Peter B's Brewpub behind the Portola Hotel & Spa in Monterey, CA, has a full week of daily specials to signify this celebration of craft beer across America, which is May 16-22.

And it has a good reason to celebrate, for Peter B's is fresh off more awards for its beers with two Gold Medals from the Beverage Testing Institute (BTI). Inclusion Amber Ale has earned 92 points and Broken Hand Imperial IPA 94 points in the IBA's 100-point rating system.
